

# The American Tolkien™ Society

The American Tolkien Society is a federally registered nonprofit organization dedicated exclusively to the study and fuller appreciation of the works of J.R.R. Tolkien and his son, Christopher J.R. Tolkien. Through our programs, we strive to bring into contact the followers and connoisseurs of these works.

We publish a quarterly journal, *Minas Tirith Evening-Star*, to provide a meeting ground for the exchange of ideas and joy generated by Tolkien's monumental works. Our journal includes the best in articles, poetry, fiction and a selection of reviews, games and features. Members may choose to receive the journal in hard copy by regular mail; by e-mail in \*.pdf format (requires Adobe Acrobat Reader, a free download); or in \*.rtf format on diskette (by mail).

Membership in the Society is open to all. Annual membership dues are only \$12.50 US in the United States (including zip codes in Puerto Rico), Canada and Mexico, and \$15.00 US in

other areas. These rates include first class/priority mail in the U.S., Puerto Rico, Canada, and Mexico, and airmail elsewhere, or diskette service by mail, as selected by the member. A special rate of \$10.00 US per year is available to those who elect to receive our journal by e-mail.

The Society was organized in 1975; our journal began publication independently in 1967.
